Unfinished Business

- CPR Event will be April 18th from 10-12 pm.
- Kristen Moore reported about the left over clothes from clothing drive. She took the nicer clothes and sold them at a consignment store and got \$44.37. Some clothes were kept at school for kids when they soil their clothes, all others that were left were donated. The money will go towards the new sign for the school.
- Balls for the classroom- Mrs. Vernal has been speaking to teachers to see if they are interested in utilizing the balls in their classroom next year. She has had a good response. So far all of 6th grade wants them and one 4th grade class. We are working to find the best cost for these balls for next year. Kim Cole motioned to spend up to \$3500.00 and seconded by Amy Headly. Motion approved. These balls will only be used in upstairs classes-grades 3-6.
- Stollers- Thanks to Kim Cole getting the last 9 orders we were able to hit the 300 item mark to be able to have the items prepackaged for us before they arrive. We sold \$4094.00 and PTA will receive 40% of those profits. Thanks everyone for all your efforts. The money raised will go to the new sign. March 27th the orders will come home and the ice-cream party will be that day also. It was decided that 2 top selling kids will get a 25.00 gift card for their efforts. They will receive the gift cards at the ice-cream party.

New Business

- Staff Appreciation will be Wednesday April 22. Sign-up sheet was passed around. Mrs. Fisk mentioned there is a strawberry and pineapple allergy. Please try to avoid any dishes that contain these items. It would be greatly appreciated. Cari Delgado will get Donuts for bus drivers.
- Kindergarten thru second grade will be taking a field trip to Living Treasures Animal Park. The cost is 7.00 per child. The Kindergarten teachers asked if PTA could pay \$2.00 of the \$7.00 to help defer the cost for the families. Motion made by Jessica Yonkey to approve \$400.00 seconded by Kim Cole. Motion approved.
- The Spring Book Fair will be April 13th-17th. Mrs. Vega is in need of Volunteers to help the kids shop. We will have a signup at the next meeting. Each teacher will receive 20.00 from the PTA to use to purchase books for their class.
- Kim Cole mentioned Camp Fitch- PTA possibly sponsoring kids to go over the summer that cannot afford to go. More info to come.
